Welcome

Welcome to the Manchester Technologies Internship Program.

Our internship is designed to provide practical industry experience, enhance technical knowledge, improve professional skills, and prepare interns for real-world software development. Every intern is expected to maintain professionalism, discipline, and dedication throughout the program.

WARNING

Failure to comply with the rules and policies outlined in this document may result in suspension or termination from the internship.

1. Attendance Policy

Live Classes

- Two live classes will be conducted every week:
 - **Monday**
 - **Thursday**
- Each class will have a duration of 45 minutes.
- Attendance is mandatory for every intern.

Attendance Rules

- Interns must join the class before the scheduled start time.
- Attendance will be recorded for every session.

MANDATORY RULE

Cameras must remain OFF during all live classes unless the mentor specifically requests otherwise.

- Microphones should remain muted unless instructed to speak.

Missing a Class

WARNING

If an intern misses a scheduled live class without prior approval, they will be **suspended from the internship program**.

Suspended interns will not be permitted to continue with the internship.

No alternate classes or makeup sessions will be provided unless officially approved by the management under exceptional circumstances.

2. Daily Work Policy

Every intern will receive daily assignments from their respective mentor.

Daily work may include:

- Technical tasks
- Problem-solving activities
- Research work
- Documentation
- Question creation
- Development tasks
- Testing and debugging
- Domain-specific assignments

All assigned work must be completed within the specified deadline.

3. Daily Work Analysis

To ensure consistent progress, daily work analysis will be conducted by the mentors.

The objectives are to:

- Review the work completed during the day.
- Verify task completion and quality.
- Monitor productivity.
- Provide feedback for improvement.
- Identify and resolve technical challenges.
- Ensure that project milestones are being achieved.

WARNING

Failure to submit daily work or repeated poor performance may lead to disciplinary action.

4. Weekly Team Discussion

A Weekly Team Discussion will be conducted to review the overall progress of all interns.

The discussion will focus on:

- Weekly accomplishments
- Challenges faced
- Knowledge sharing
- Mentor feedback
- Performance review
- Planning for the upcoming week

Attendance for the weekly team discussion is mandatory.

MANDATORY RULE

Cameras must remain OFF during the discussion unless the mentor requests otherwise.

5. Work Completion Policy

Completing assigned work is mandatory.

If an intern:

- Fails to complete assigned work,
- Submits incomplete work,
- Produces poor-quality work repeatedly,
- Fails to participate in mandatory reviews,

WARNING

the company reserves the right to remove the intern from the internship program.

6. Project Allocation

Each intern will be assigned one industry-oriented project based on their selected domain.

The assigned project must be completed according to the milestones provided by the mentor.

7. Saturday Project Review

Every Saturday will be reserved for:

- Project discussion
- Progress review
- Code review
- Demonstration of completed work
- Mentor feedback
- Planning for the upcoming week

Attendance for the Saturday project review is mandatory.

8. Weekly Holiday

Sunday is the official holiday.

No regular classes or meetings will be conducted unless otherwise notified by the management.

9. Professional Conduct

Every intern must:

- Maintain professional behavior.
 - Respect mentors and fellow interns.
 - Communicate politely.
 - Follow instructions provided by mentors.
 - Maintain confidentiality of company information.
 - Represent Manchester Technologies professionally.
-

10. Academic Integrity

Interns must not:

- Copy another intern's work.
- Submit AI-generated work without proper understanding or modification.
- Share confidential project files.
- Use unauthorized resources during assessments.

WARNING

Any violation may result in immediate termination.

11. Communication

All official communication will be conducted through the company's designated communication platform.

Interns are expected to:

- Respond promptly.
- Read announcements regularly.
- Stay updated with schedules.
- Inform mentors in advance if any genuine issue arises.

12. Performance Evaluation

Intern performance will be evaluated based on:

- Attendance
- Daily work completion
- Daily work analysis
- Weekly discussion participation
- Project progress
- Technical skills
- Communication
- Professionalism

13. Grounds for Suspension or Removal

An intern may be suspended or removed for any of the following reasons:

- Missing a mandatory live class without approval.
- Failure to complete assigned work.
- Repeated poor performance.
- Unprofessional behavior.
- Misconduct or harassment.
- Plagiarism or academic dishonesty.
- Sharing confidential company information.
- Failure to participate in mandatory meetings or project reviews.

WARNING

The decision of Manchester Technologies management shall be final.

14. Internship Completion

An intern will be considered to have successfully completed the internship only if they:

- Attend all mandatory classes.
- Complete all assigned daily work.
- Successfully complete the assigned project.
- Participate in weekly discussions and project reviews.
- Maintain satisfactory performance and discipline throughout the internship.

IMPORTANT NOTE

Successful interns may receive an Internship Completion Certificate based on the company's evaluation criteria.

Declaration

By joining the Manchester Technologies Internship Program, every intern acknowledges that they have read, understood, and agreed to abide by all the rules, regulations, and policies outlined in this Internship Rule Book.

WARNING

Failure to comply with these rules may result in suspension or termination of the internship at the sole discretion of Manchester Technologies.
